

Cleaning Services

Nothing is more important to Andron than our clients' complete satisfaction with regard to the management of their cleaning and support services. Andron offer a unique solution to the management of our clients' soft services with each contract individually tailored and executed to the highest achievable standard.

To back this high level of service provision the tailored services are underpinned by quality assurance through regular onsite auditing with industry-leading technology, continuous improvement through ongoing cleaning service development and innovation and the unwavering commitment to the highest standards in health & safety and environmental responsibility.

Together with Daily office cleaning, also offer specialists services such as :-

- Window cleaning
 - High level and periodic cleaning
 - Carpet cleaning
 - Marble & terrazzo floor cleaning
 - Computer & VDU cleaning
- Andron continue to provide an individual approach to cleaning services to our wide range of differing businesses from Financial and Banking institutions to large shopping centres and leisure complexes. Wherever we work, we are always open to new methods and ideas that will enhance our services.
